Dear Carolyn

RE: Approval of Minor Amendments of Sydenham Metro Upgrade (SMu) CEMP Rev20, CSWMP Rev16, CHMP Rev12, CNVMP Rev13, VAMP Rev07, AQMP Rev15 & SpMP Rev14– Sydney Metro City & Southwest

Thank you for providing the following documents for Environmental Representative (ER) review and approval of minor amendments as required by Condition of Approval A24 (j) of the Sydney Metro City & Southwest project (CSSI – 15_7400, 9 January 2017).

- SSJ Construction Environmental Management Plan (CEMP) (SMCSWSSJ-JHL-WSS-EM-PLN-000028 Revision 20, dated 13 June 2023)
- SSJ Construction Soil and Water Management Plan (CSWMP) (SMCSWSSJ-JHL-WSS-EM-PLN-000033 Revision 16, dated 5 April 2023)
- SSJ Construction Heritage Management Plan (CHMP) (SMCSWSSJ-JHL-WSS-EM-PLN-000034 Revision 12, dated 13 June 2023)
- SSJ Construction Noise and Vibration Management Plan (CNVMP) (SMCSWSSJ-JHL-WSS-EM-PLN-000029 Revision 13, dated 13 June 2023)
- SSJ Visual Amenity Management Plan (VAMP) (SMCSWSSJ-JHL-WSS-EM-PLN-000032 Revision 07, dated 5 April 2023)
- SSJ Sydney Metro City & Southwest Air Quality Management Plan (AQMP) (SMCSWSSJ-JHL-WSS-EM-PLN-000030 Revision 15, dated 13 June 2023)
- SSJ Spoil Management Plan (SMCSWSSJ-JHL-WSS-EM-PLN-000031 Revision 14, dated 13 June 2023)

Amendments to the above Plans were for the purpose of a periodic update as required by the Construction Environmental Management Framework (CEMF).

The amendments are considered to be 'minor' according to Condition of Approval A24 (j). The amendments do not trigger any additional CoAs or REMMs and are consistent with the planning approval. No additional significant risks have been identified as a result of the changes.

As an approved ER for the Sydney Metro City & Southwest project, I have reviewed and provided comment on these documents and accordingly approve the amendment of the Plans for implementation.

Yours sincerely

Jo Heltborg
Environmental Representative – Sydney Metro – City and South West
