Dear Carolyn

**RE: Approval of Minor Amendments – Sydenham to Bankstown (SWM3 Works) – CSWMP Rev5**

Thank you for providing the following document for Environmental Representative (ER) review and endorsement as required by the Condition of Approval A26 (i) of the Sydney Metro Sydenham to Bankstown Infrastructure Approval (SSI 8256, 12 December 2019, modified on 1 April 2026 – Mod-3) and the Staging Report Rev 8.2:

- Construction Soil and Water Management Plan (CSWMP) – Sydenham to Bankstown – Southwest Metro Conversion and Station Works Package 3 Works, Rev 5 dated 5 April 2026 (Ref: SMCSWSW8-JHL-WBK-EM-PLN-000006)

The CSWMP was updated to include the following:

- Updated with Water Management (General) Regulation 2025, including removal of requirement to report on aquifer interference policy

As an approved ER for the project, I have reviewed the document, and the minor changes proposed. Accordingly, I approve the amendment of the Plan for implementation.

Yours sincerely

Maulik Bapodara

Environmental Representative – Sydney Metro City and Southwest
