

Water Monitoring Data - Monthly Summary

[illegible]

Vibration Monitoring Data - Monthly Summary

Month and Year	August 2026	 
Project	Sydney Metro SWM3	
EPL license No.	21147	
EPL Weblink	https://apps.epa.nsw.gov.au/prpoeoapp/Detail.aspx?instid=21147&id=21147&option=licence&searchrange=licence&range=POEO%20licence&prp=no&status=Issued	
Specific EPL monitoring conditions	M7.2 - Vibration monitoring	
No vibration monitoring for the month of August.		

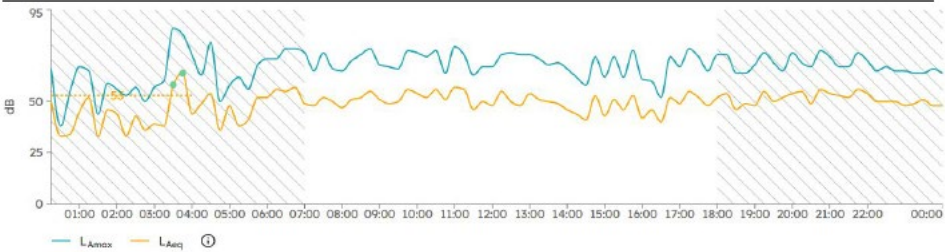

Noise Monitoring Data - Monthly Summary			
Month and Year	August 2026	 	
Project	Sydney Metro SWM3		
EPL license No.	21147		
EPL Weblink	https://apps.epa.nsw.gov.au/prpoeoapp/Detail.aspx?instid=21147&id=21147&option=licence&searchrange=licence&range=POEO%20licence&prp=no&status=Issued		
Specific EPL monitoring conditions	M7.1 - Noise monitoring Appendix A- EPL R4.4 Validation Report		

No exceedances recorded for the month of August.

WK05, 3- 6 August & WE 06, 9 August 2026- Sydney Metro Possession
NCA 01 Marrickville Station

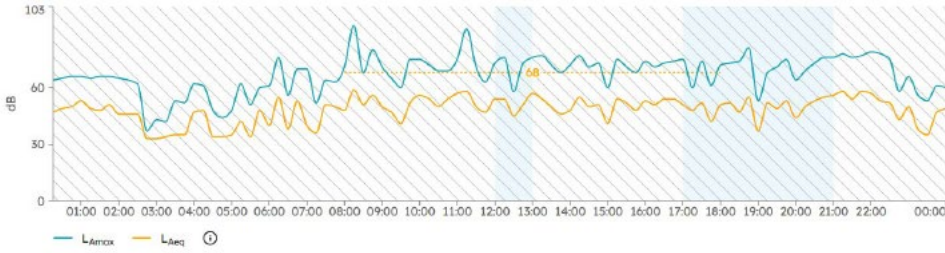

6 August

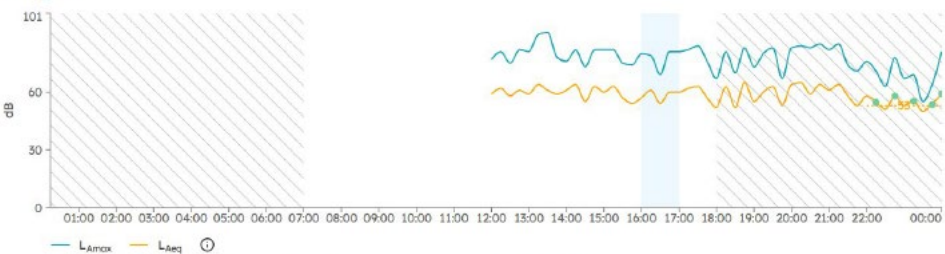

Note: Two LAeq15min period exceedances due to works, caused by works in close proximity to logger. 1 quick cut confirmed as per the plan prior to shift. No change in AMMs proposed, no complaints.

9 August

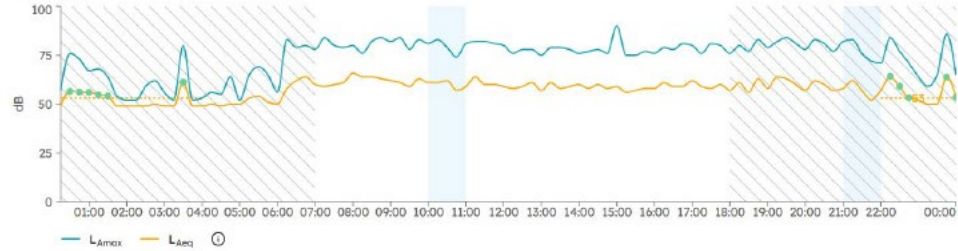

NCA 02 Dulwich Hill Station

3 August

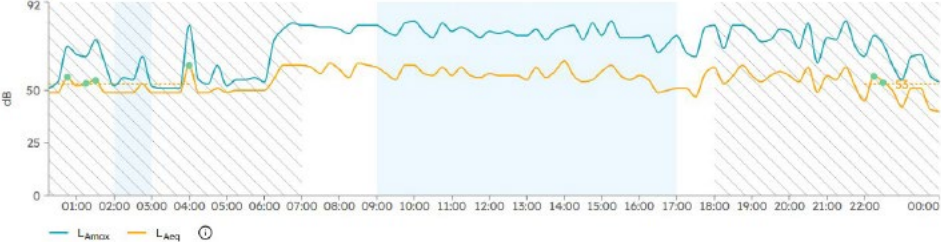

Note: No works, all exceedances due to extraneous events (ARTC)

4 August

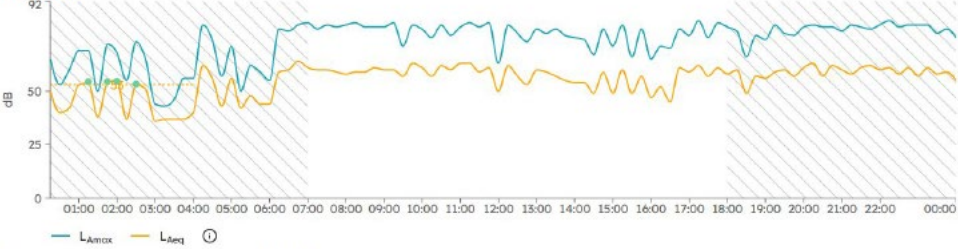

Note: All exceedances due to ARTC

5 August

Note: All exceedances due to ARTC

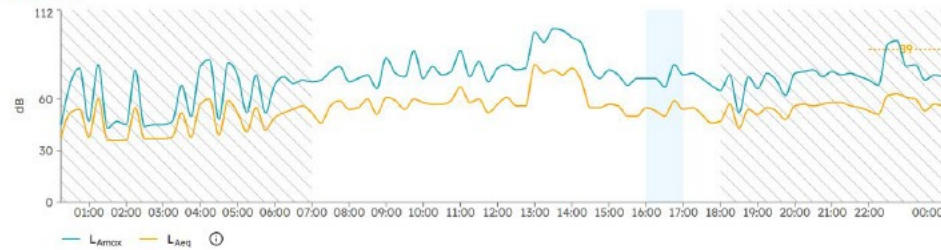

6 August

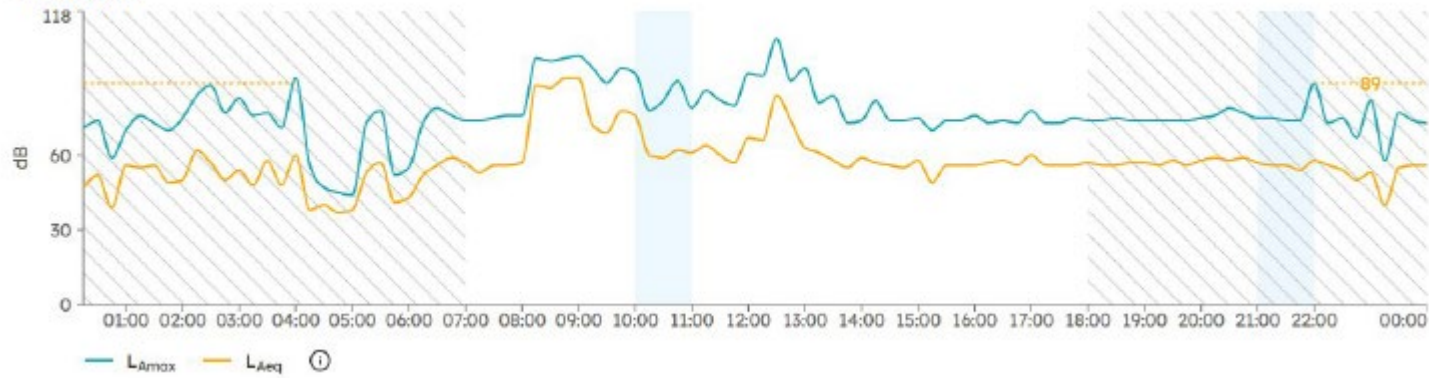

Note: All exceedances due to ARTC

NCA 03 Hurlstone Park Station

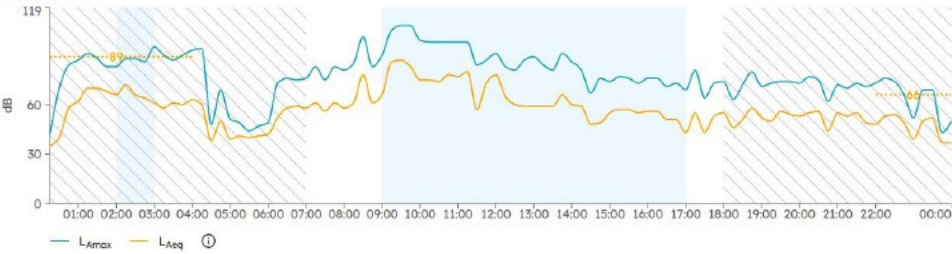

3 August

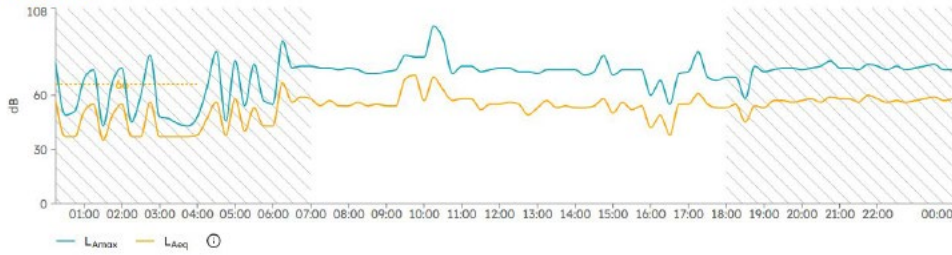

4 August

5 August

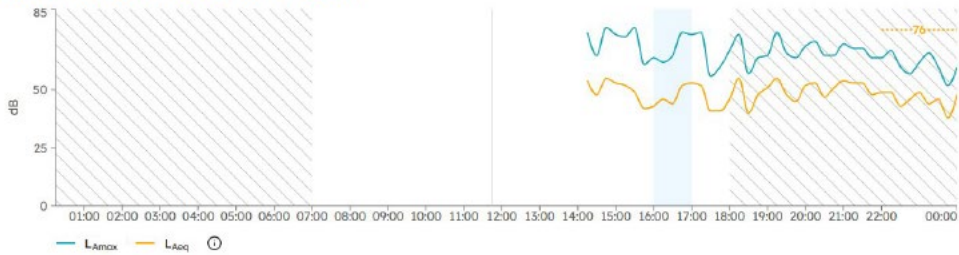

6 August

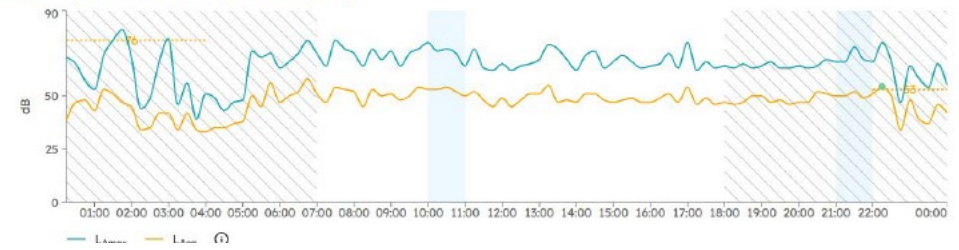

NCA 04 Canterbury

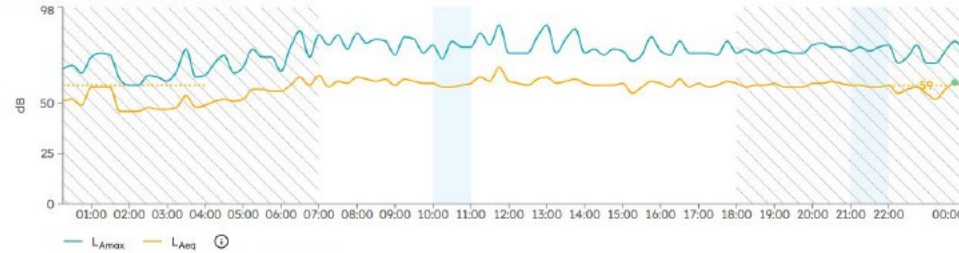

3 August
Country Side of MSB (11 Charles St)

4 August
Country Side of MSB (11 Charles St)

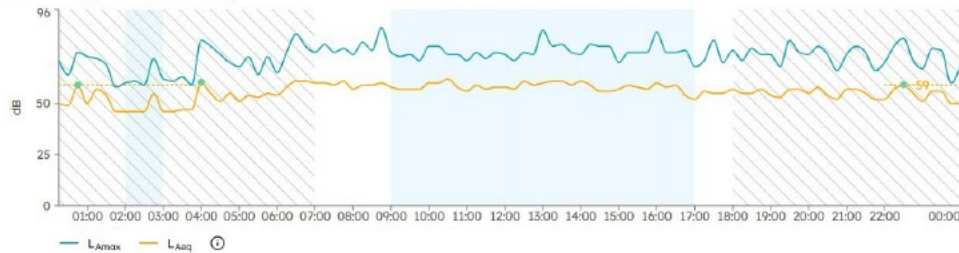

Station (2B Charles St)

Note: Exceedances due to ARTC

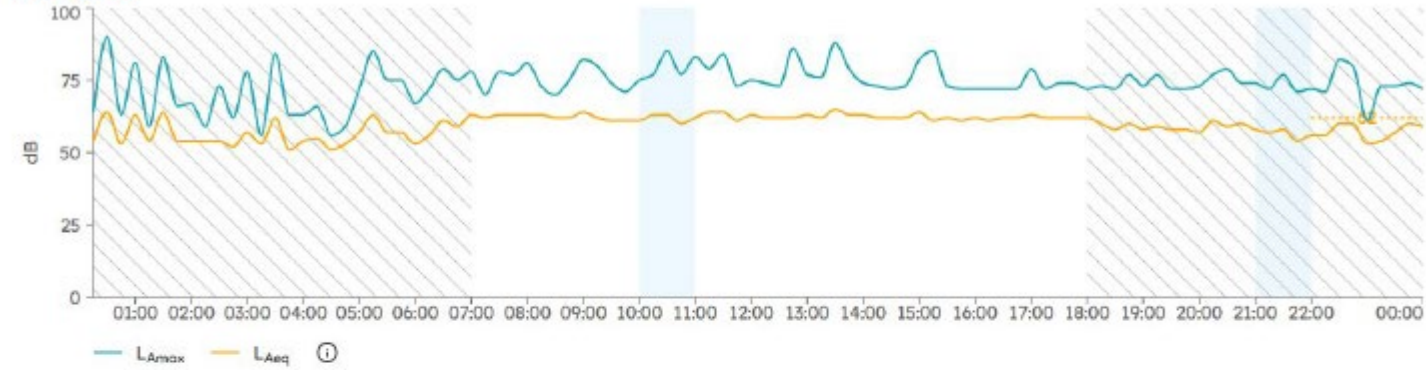

5 August
Station (2B Charles St)

Note: All exceedances due to ARTC

NCA 06 Campsie Station

4 August

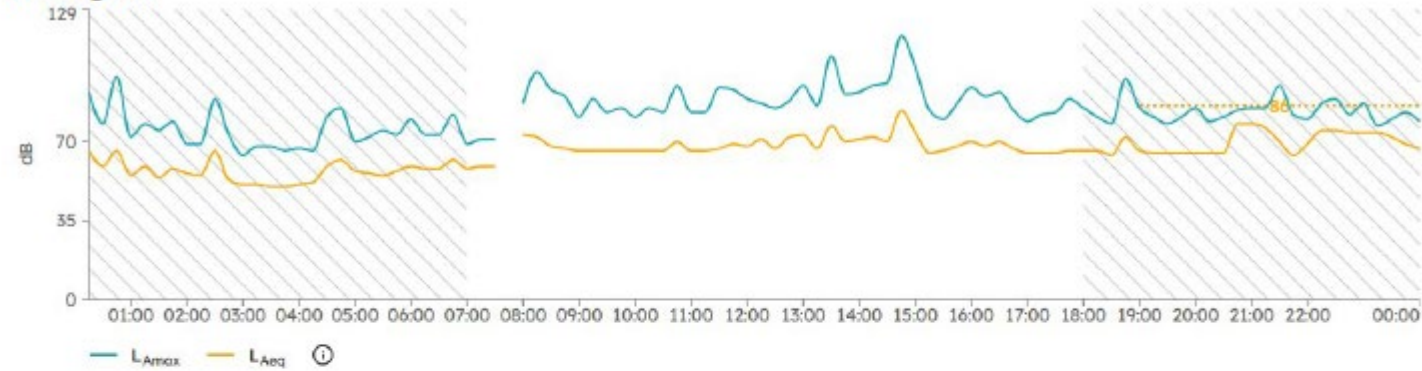

5 August

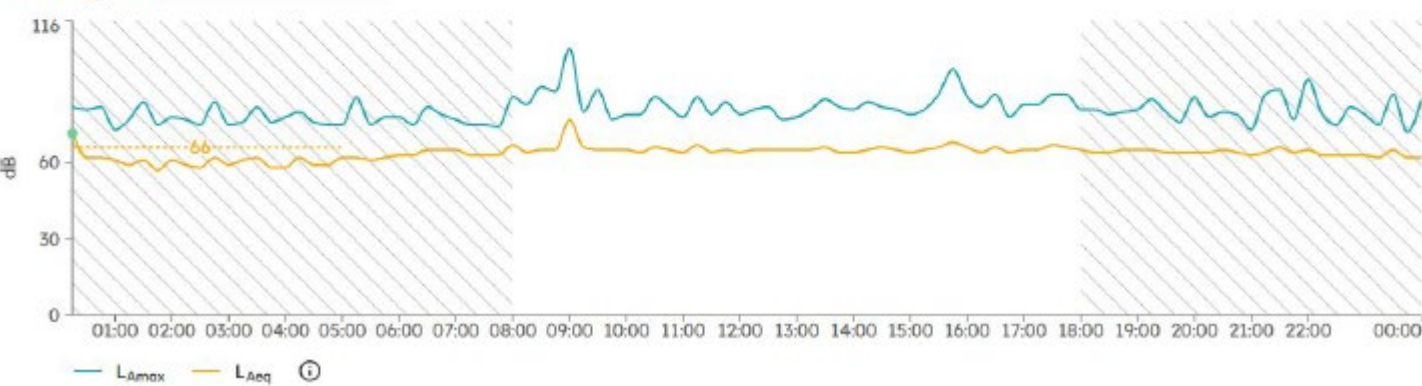

Note: Approaching the end of the project, a number of loggers have been decommissioned due to extensive historical data for this location and activity and many others. All exceedances due to extraneous events, predominately ARTC.

Night of the 21st & 26th August2026 Campsie Utility Relocation & Road Intersection Reconfiguration

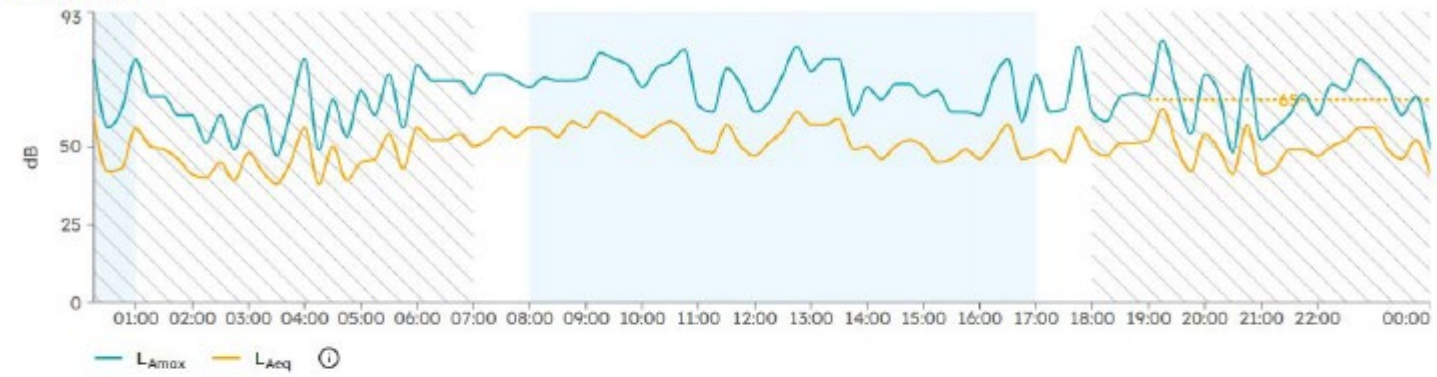

21 August

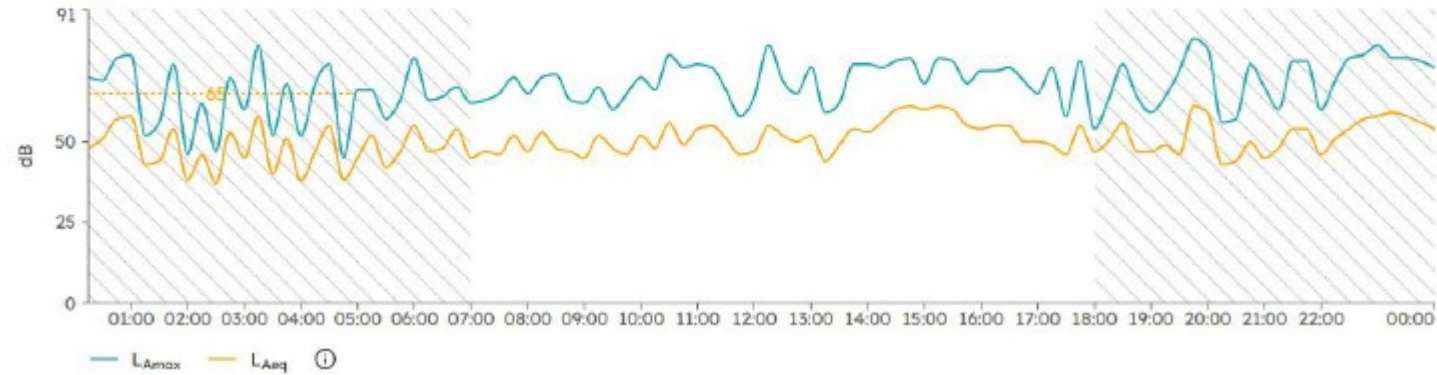

22 August

26 August

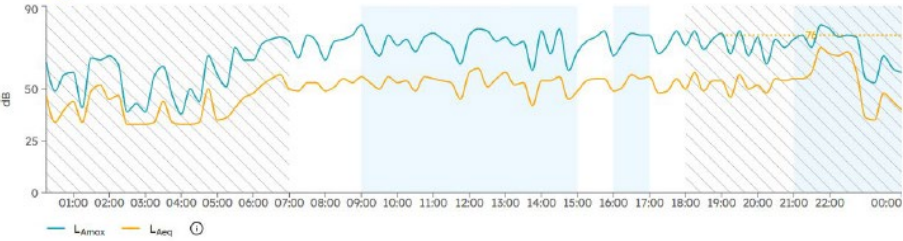

27 August

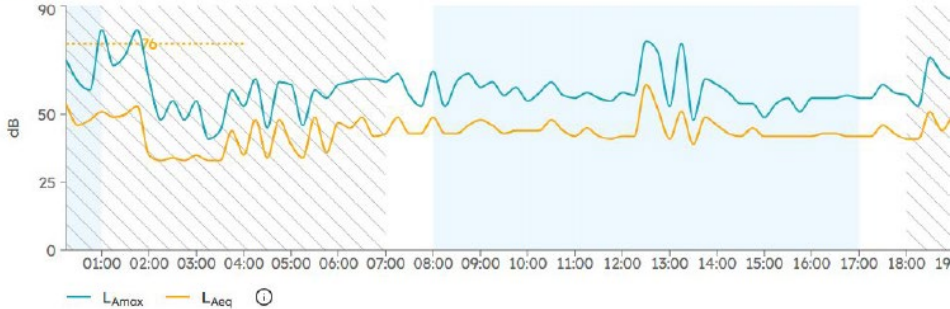

WK08, 26 August & WE 09, 30 August 2026- Sydney Metro Possession

NCA 01 Marrickville Station

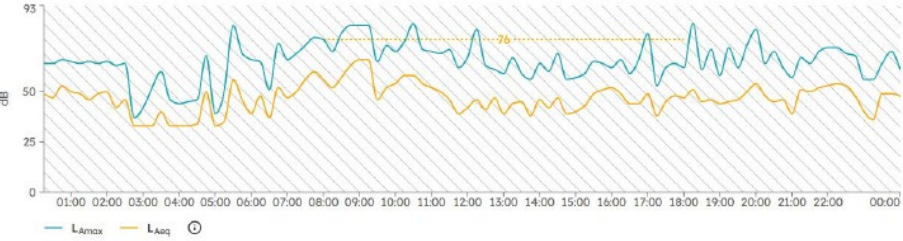

25 August

26 August

30 August

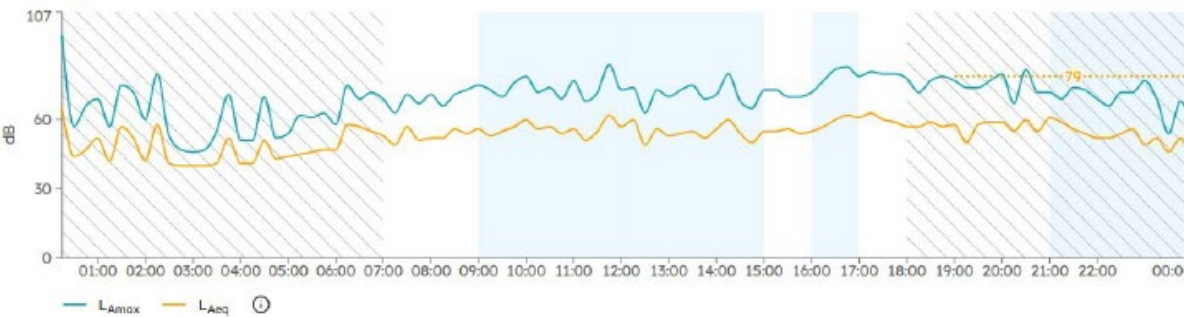

NCA 03 Hurlstone Park Station

30 August

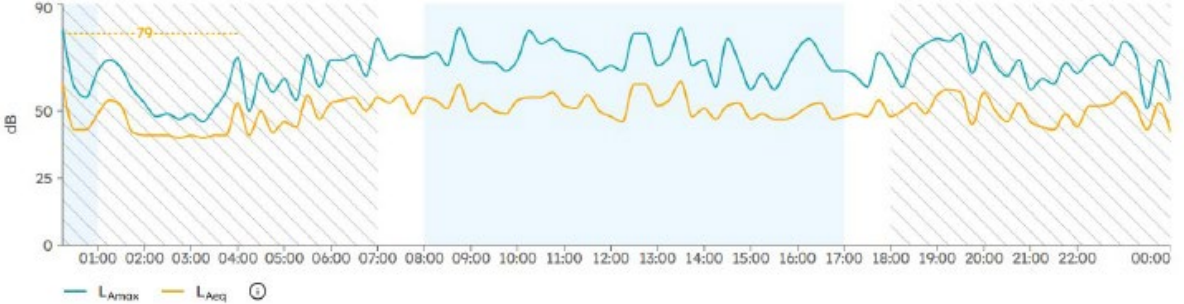

NCA 04 Canterbury

25 August

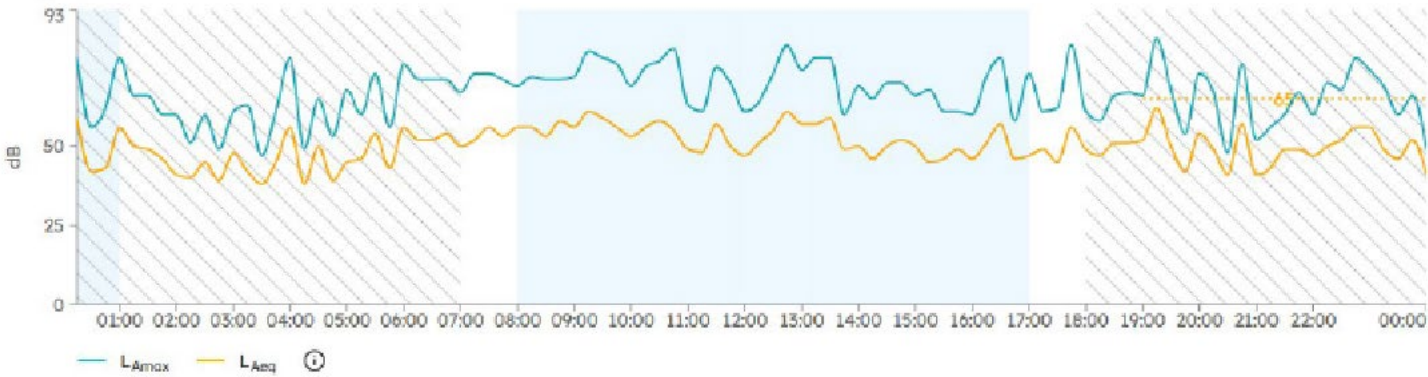

26 August

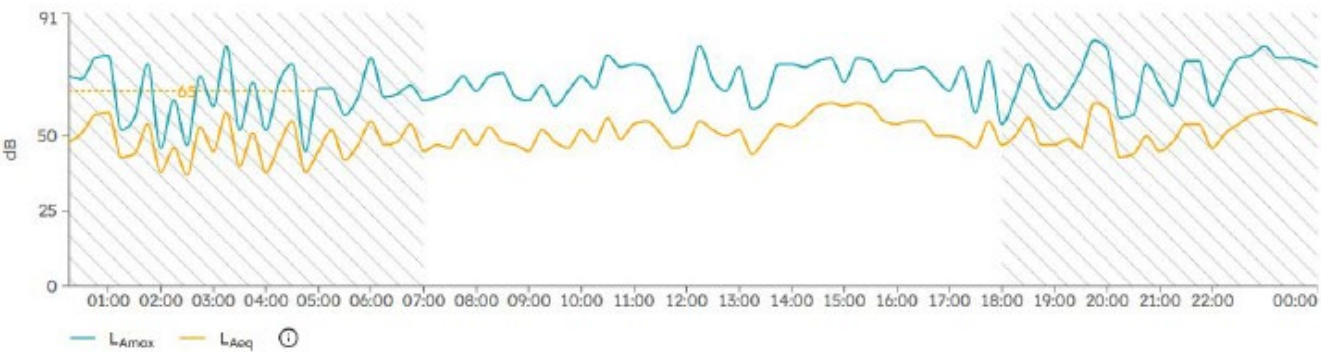

NCA 06 Campsie Station

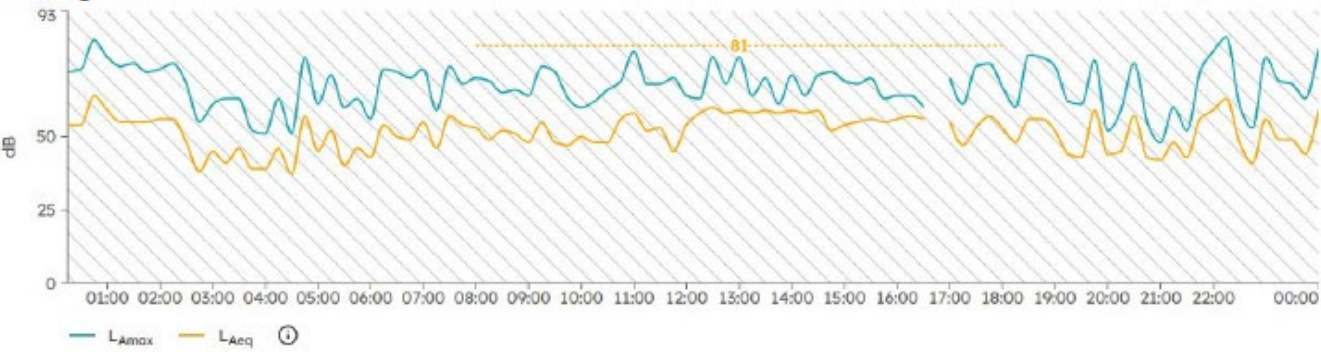

26 August

27 August

30 August

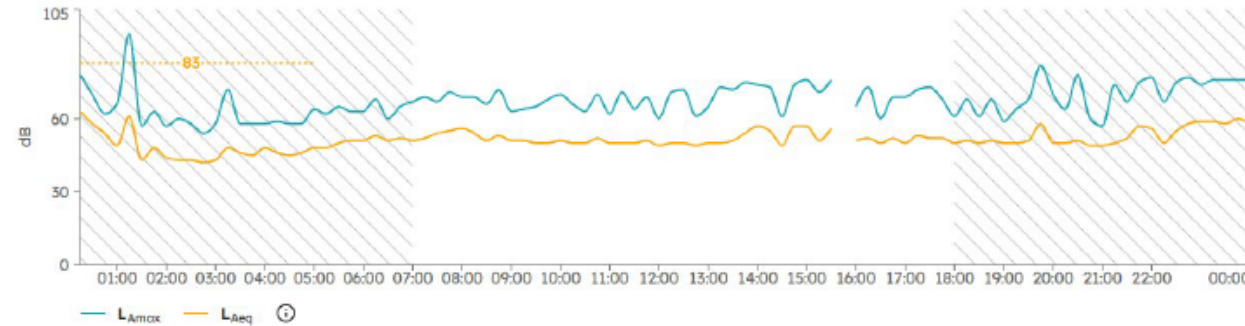

NCA 09 Wiley Park Station

26 August

27 August

Note: Approaching the end of the project, a number of loggers have been decommissioned.

Works that historically may have triggered monitoring also occurred at Belmore, Punchbowl as well as at hirail access pads at Ewart St, Loftus St and Urunga Pde, however extensive historical monitoring indicates these areas are low risk due to topography, distance or other physical factors that contribute to reducing the noise level at the sensitive receiver. Respite was triggered and offered at the hirail pad access sites. No complaints were received as a result of the works.
